Dear World Changers,

E.M. Bounds said, "The most important lesson we can learn is how to pray." This is so true! Our chief discipline as Christians must be prayer. Through prayer, we stay in direct connection with Christ. He is our source; He is the vine, we are the branch. Apart from Him we can do nothing of eternal value!

Jesus asked his disciples to pray with him for just one hour. That is what I'd like to ask of you and every Ranger worldwide to do sometime between 6-8 October 2023. Gather your group to pray for one hour anytime during this 72-hour window of time. Whenever possible, make this a time of corporate prayer inviting Rangers, junior leaders, adult leaders, parents, and pastors to pray together. To provide focus, use this prayer guide that divides your hour into four 15-minute periods. Before and after each period, sing praise and worship songs. Conclude by praying for one another.

If the Lord leads, you may also choose to fast. If you are new to fasting, Richard Foster offers some excellent guidance in a chapter of his book entitled *Celebration of Discipline*.

I truly believe that if you join us in this time of prayer, one, you will be amazed at the results in your own life, and two, we will partner together to see more boys and girls worldwide reached and mentored for Jesus Christ! When we are willing to take that step of obedience and faith, God responds!

Finally, please share your experience. Let us know what God does. Email us: RRI@RRI.world or connect with us on www.facebook.com/RoyalRangersInternational. Your story will be a source of encouragement.

All for Jesus!
