Fellow Rangers,

Someone has said, "When we work, we work. But when we pray, God works." This is so true! Our chief discipline as Ranger leaders must be prayer. He is our source; He is the vine, we are the branch. Apart from Him we can do nothing of eternal value!

Jesus asked his disciples to pray with him for just one hour. That is what I'd like to ask of you and every Ranger worldwide to do sometime between 7-9 October 2022. Gather your outpost to pray for one hour anytime during this 72-hour window of time. Whenever possible, make this a time of corporate prayer inviting Rangers, junior leaders, adult leaders, parents, and pastors to pray together.

To provide focus, use this prayer guide that divides your hour into three 20-minute periods of ASK, SEEK, and KNOCK. Before and after each period, sing praise and worship songs. Conclude by praying for one another.

Two things will surprise you: First, how fast the time will fly and second, just how powerful this experience and its results will be. Our worldwide call to prayer will enable us to "influence more young people than ever, more effectively than ever!"

You may also choose to fast. If you are new to fasting, Richard Foster offers some excellent guidance in a chapter of his book entitled *Celebration of Discipline*. Others may choose to extend beyond an hour. Do as the Lord leads.

Finally, please share your experience. Let us know what God does. Email us: [RRI@RRI.world](mailto:RRI@RRI.world) or connect with us on [www.facebook.com/RoyalRangersInternational](https://www.facebook.com/RoyalRangersInternational). Your story will be a source of encouragement.

Prayer is an act of obedience and an expression of faith. God acts on our behalf when we trust and obey. Your participation will produce results for you and for the Rangers ministry at all levels, at home and abroad.
